THE COUNTY RETURNS ARE VERY SLOW

Mark Averill, Jack Owens, Bob Pohl, Bob Gilbert, Puddy Grimes, Cleve Baker, L. L. Blumenthal, W. T. Cuddy, Thomas Wilson, Harry Atkinson and Ed Malley Are Sure Winners--Brown and Flanigan Also Polling Heavy Votes

Nearly all the workers of both political parties ceased their activities yesterday and the headquarters of both organizations were deserted. Early in the morning the reports gave evidence that six of the seven assemblymen would be Republican, but later in the day the positions were reversed and the indications are that now probably there will be three Republicans elected. The candidates for state senator have been switching back and forth and at the present writing Tallman and Kendall have the best of the situation.

The counting of the votes did not progress as fast yesterday and last night as they did during the first night as the clerks are becoming tired after forty-eight hours of tallying.

Despite the great interest in the local candidates taken by the public, the polls were at no time crowded by people anxious to get the latest results. Everyone seemed satisfied to take the prediction made in yesterday's Bonanza as the way the ticket was going.

Reports were received from Manhattan, Beatty, Round Mountain, Rhyolite, Golden Arrow and Smoky valley and in all there is evidence of the Republicans gaining strength. The indications at present are that Taft will carry Tonopah by over 100, while the county will go for Bryan. Nye county will give a handsome majority to Hugh H. Brown for justice of the supreme court. The election of Bob Pohl for county clerk is assured, as it that of R. F. Gilbert for county clerk. M. R. Averill is still gaining in the count for district judge.

J. J. Owens is now assured of the re-election for sheriff and Puddy Grimes will land the auditor's office by a big majority. Cleve Baker is leading the Democratic ticket for the office of district attorney.

L. L. Blumenthal will continue to run the public administrator's office and the handsome salary he will receive will be donated toward the building of a home for the aged.

Every indication points toward the electing of W. T. Cuddy and Thomas Wilson as long term and short term commissioners.

Harry Atkinson is now assured of the justice of the peace office of the Tonopah township.

The police bill amendment is running about even, but it is expected to pass with the help of the northern and eastern counties. Advice received from the north say that Flanigan will be elected, also Congressman Bartlett and Hugh Brown.

Con Ahern is running away ahead of the ticket for surveyor general.

It is impossible to determine the results for regents of the state university, as both tickets are running neck and neck.

Bryan Is Not Disappointed Over Defeat

(By Associated Press.)
LINCOLN (Neb.), Nov. 4.—While not caring to discuss at this time the political effect of the Democratic victory in his home state and analyze causes, William J. Bryan this afternoon, in an informal talk with a number of friends who called on him, expressed great pleasure at the result in Nebraska and the satisfaction it afforded him to learn of the election of many of his personal political friends. A delegation of nearly 100 from Lincoln visited Bryan at Fairview to express to him their confidence and devotion, and to assure him that such was the sentiment of the people in his native city and state.

Bryan responded and said he was highly gratified over the result in this state. "National defeat is not such a disappointment," said Bryan, "when we have had so many things to console us. I hope I have convinced my friends that running for office has only been incident to my work. My heart was never set on holding office, but I wanted to do certain work and it looked as though the presidency might offer the opportunity to do that work. I'm sure that in my private life I can at least have a chance to do some good."

"Personally, I shall find much joy in being out of office, if the returns show it must be, as I would be in the office. I hope still to be of influence to bring about needed reforms."

The defeat sustained yesterday didn't weigh heavily on Bryan, he was one of the most cheerful of those at his home, and laughed and joked good naturedly with his visitors. Tonight Bryan was the guest of honor at the banquet of the State Teachers' association, where he made a short address.

GOOD WORK CONTINUES.

(By Associated Press.)
SAN FRANCISCO, Nov. 4.—Two thousand three hundred and two precincts in California out of 2865 give Taft 182,046, Bryan 107,770, Higen 4327, Chaffin 6443 and Debs 18,736. For associate justice of the supreme court, Melvin (Republican) 145,568, Murasky (Democrat) 122,289.

TEDDY'S PROPHECY COMES TRUE

(By Associated Press.)
WASHINGTON, Nov. 4.—The president was very cheerful today and told the newspapermen that the election of Taft wholly carried out the prophecy made by him in a letter written to Senator Lodge of Massachusetts, dated October 26, 1908. Over a thousand telegrams and many letters of congratulation on the result of the election poured into the white house today for President Roosevelt.

MAKING GOOD HIS PROMISE

(By Associated Press.)
NEW YORK, Nov. 4.—In a statement given to the press tonight by Frank Hitchcock, chairman of the Republican national committee, he announces that a complete list of all contributions made to the Republican campaign fund will be made public in the near future, the work already having been begun on tabulation of the list. The list, said Hitchcock, will give every contribution made.

HONOLULU DRAWS A DEMOCRATIC MAYOR

(By Associated Press.)
HONOLULU, Nov. 4.—John Kalaianole, Republican, was re-elected as the territorial delegate to congress. The territorial legislature will be Republican. J. J. Fern (Democrat) was elected the first mayor of Honolulu.

CHINESE DISLIKE JAPANESE

HONG KONG, Nov. 4.—The rioting which resulted here yesterday from the attempt of those involved to force the local merchants to continue the boycott against Japanese goods has been suppressed by the soldiers, who were called out to patrol the business districts. One Chinese who offered armed resistance was shot.

The riots were organized primarily by the students of this city and the disturbance is evidently widespread. At Singapore similar riots have occurred and a number of merchants said to have shown a desire to discontinue the boycott and otherwise favor Japan, have been branded as traitors and in several instances marked by having their ears slit.

It is alleged that a league has been formed secretly and has pledged itself to give any man who slits the ears of a so-called "traitor" \$15, and should he be thrown into jail, to see that he is held up to the public as a martyr and to pay him a dollar a day while in prison. Should one of the traitor merchants be killed, it is alleged the league agrees to pay his slayers \$200.

At Canton there have been hints of the same trouble and a number of ruffians have been hired to attack merchants. Vigorous measures to suppress the rioting have been taken there.

THERE WILL BE LITTLE CHANGE IN THE SENATE

(By Associated Press.)
WASHINGTON, Nov. 4.—The present indications are that the Republicans will have about a two-thirds majority in the United States senate as the result of yesterday's election, which is practically the same as at present. Of ninety-two members of that body, sixty-one are hold overs, leaving thirtyone places to fill and of these nineteen are Republicans and twelve are Democrats. Alabama, Arkansas, Louisiana, Maryland already have chosen Democrats, while Kentucky and Vermont will be filled by Republicans. The only senatorships which remain in doubt are those in Ohio, Indiana and Oregon, which are now represented by Senators Foraker, Hemenway and Fulton, Republicans, and Colorado, Missouri and Nevada, represented by Senators Teller, Stone and Newlands, Democrats.

TAFT'S VOTE IS GROWING

(By Associated Press.)
CHICAGO, Nov. 4.—The complete returns of Cook county, including Chicago, were available today. With the exception of Stevenson (Democrat) for governor, who carried the county by a scant 1397, over Deneen (Republican), the Republicans rolled up handsome majorities on both national and state tickets, Taft's plurality is 79,413.

TAFT CARRIES INDIANA: CHANGE IN REPRESENTATION

(By Associated Press.)
INDIANAPOLIS (Ind.), Nov. 4.—The radical change in Indiana's representation to the national house of representatives was the most striking feature of yesterday's election. The latest unofficial returns complete give the Democratic party eleven members and the Republicans two. This is a gain of seven for the Democrats, the former representation being nine Republicans and four Democrats. William H. Taft carried the state for president, according to incomplete returns, by about 8000.

MISSOURI RESULTS STILL DOUBTFUL

(By Associated Press.)
ST. LOUIS (Mo.), Nov. 4.—The indications at 8 p. m. are that the Democrats will control the next Missouri legislature on a joint ballot by four votes, assuring the re-election of United States Senator Stone, if all Democrats in the legislature abide by the advisory vote of the senatorial primary. The state is extremely doubtful as to the electoral vote.

STOCK MARKET IN NEW YORK

NEW YORK, Nov. 4.—The stock market today demonstrated a striking capacity for reaching the conclusion beyond prevailing upon the assumption. The assumption became almost universal in the financial district, that the ripening of the occasion to which speculation has been looking forward to would be accompanied by a harvesting of fruits. Instead of advancing after the opening, the market gave way slowly on a volume of sales, which has not been seen before this year. After the first hour buying was persistent and determined, and ranged over a wide field of choice in the list of stocks. Bonds were firm.

Nebraska's Large Majority Surprises Even the Natives

(By Associated Press.)
LINCOLN, Nov. 4.—The returns today and tonight on yesterday's election, while far from being complete, are sufficiently definite to confirm the first report that the Democrats made a sweeping victory in Nebraska. While the plurality of the victorious party is not phenomenally large they complete the state ticket, and the candidates for congress in most instances running parallel with Bryan, who was expected to lead the ticket by several thousand.

The complete returns from one-third of the counties in the state and scattering precincts from most of the remainder show Bryan to have a plurality of not less than 10,000, while Shallenberger, Democratic nominee for governor, and the remainder of the Democratic state ticket have hardly less than a thousand less. At least four and probably five of Nebraska's six congressmen will be Democratic, only one Republican is assured of escaping defeat.

The greatest surprise of all is the overwhelmingly large majority the Democrats will have in the legislature. Of 133 senators elected, the canvassers of the returns could find but eighteen Republicans who had won.
